Stewardship Corner

John 21:6

"He said to them, 'Cast the net on the right side of the boat, and you will find some.' So they cast it, and now they were not able to haul it all in, because of the quantity of fish."

Won't the disciples ever learn? Jesus pulled this same trick before. When the odds seemed completely against it, the Lord gave them a command to let down the nets, a command that seemed crazy. But they complied, and He blessed their obedience. When will we learn this lesson, too?
