

March 12, 2020

Hello Mount Calvary members,

This afternoon, the executive board of the Church met and had discussions related to how Mt Calvary is responding to the Corona Virus outbreak.

We're recommending that you don't come to Church if anyone in your family is ill, especially with fever, cough, or shortness of breath. Common sense applies here. Don't share it this week, and we will see you next week.

You can expect further emails to come out with additional details.

1. Our janitorial staff has already been cleaning the Church and School facilities. These cleanings have been increased in scope over the last 2 weeks. We are aggressively cleaning all hand contact surfaces. This includes bathrooms, handrails and other areas of the Church and School building.

The Preschool has also sent notice to the preschool families and much of this is applicably to Church attendees as well. **Please review the preschool notice attached.**

2. The elders and Pastor Moss are already in discussion for how to adjust seating proximity and communion distribution adjustments that may need to take place during services.

3. We are in the process of setting up contingency plans in the event that we are not able to hold in-person worship services. These could be addressed by DVD ministry, and/or streaming our worship services online.

4. We are also in the process of providing alternative electronic methods of gifting and stewardship to the Church if needed.

Please contact the Church office with any questions or concerns.

Respectfully,

Mt Calvary Executive Committee
