Dear Families,

At Mt. Calvary Lutheran Preschool, the health and well-being of our students, teachers, and families is our top priority. We understand the concern and uncertainty you may be experiencing surrounding the coronavirus (COVID-19) and are committed to being responsive to the needs of our families and staff as the situation evolves.

What we are doing:

- We are closely monitoring daily updates and recommendations from the CDC and WHO as well as the local authorities.
- We will continue sanitizing the tables, chairs, counters, and toys daily.
- We will continue our instructions with the children on how to properly wash our hands (fronts, backs, wrists, between fingers – with soap and water for at least twenty seconds each time) and properly catch our sneezes and coughs (either in a disposable tissue or in our elbows). We are also teaching them the importance of keeping their hands off their faces.
- We will continue to disinfect all hand-contact surfaces in guest-accessible areas (door handles, railings, pens).
- Employees have been instructed to never come to work if they experience fever or any coronavirus symptoms
- Family members and students shall also remain vigilant regarding any symptoms they are experiencing. Please, do not come to the school if anyone in your family is experiencing fever, cough, shortness of breath, or any of the numerous symptoms listed in our handbook.
- If any member of your family comes into contact with a person who has tested positive with the coronavirus or if any of you do any traveling, then we ask that you please self-quarantine for the mandated two-week time period.
- Finally, although hand sanitizer is a great backup to hand washing, please remember having any sort of sanitizer easily accessible for the children is against licensing regulations and will immediately be confiscated. Our policy is to wash with soap and water.

Please contact us if you have any further questions. Know that when you come to Mt. Calvary, your health and safety are top priorities today and every day. ***“Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and minds in Christ Jesus.”*** *Phillipians 4:6-7*

In His Name,

Marisa Trowbridge
Director of Mt. Calvary Preschool
